

STUDENTS RESEARCH

Research Project Work for BSW

Every student shall undertake a research project work that has a bearing on his/her AoC and present a written thesis on the research work under the supervision and guidance of a faculty member. The preliminary work may begin at the end of the fourth semester. The students are expected to complete the data collection before the sixth semester. The thesis is to be submitted to the department before the date notified. The students shall write a dissertation and appear for a viva-voce examination.

Research Project Work for MSW

Every student shall undertake a research project work that has a bearing on his/her AoC and present a written thesis on the research work under the supervision and guidance of a faculty member. The preliminary work may begin at the end of the second semester. Students are expected to complete the data collection before the fourth semester. The thesis is to be submitted to the department before the data notified. The students shall write a dissertation and appear for a viva-voce examination.
