

On 19th October 2022, NEISSR conducted 7th graduation day. The Red Ribbon Club and Environment Club were assigned in Fooding Committee. The club leaders segregated the working areas like Drinking water Committee; Dustbin & Food waste Committee, Emergency volunteers, Food packages committee and Invitees table committee. Each o f both the club members were placed with different responsibilities accordingly to the committee wise. The works went as planned and with cooperation among the club members, the assigned works were accomplished successfully without any challenges faced.
