

Red Ribbon Club

Friday ,21st April: Red Ribbon Club conducted a social work which focused on Aerial gardening to beautify the gazebos. The member of the clubs was divided into two groups that is, boys and girls. The girls were indulged in mixing the manure and soil for planting of flowers. While boys were helping in supplying water for mixtures of manures and flowering.

On the other hand, some were indulged in painting the sign board of the gazebos and arranging of the necessary requirements for the aerial garden.

As a result of that, the activities were conducted successfully.
