

## RED RIBBON CLUB

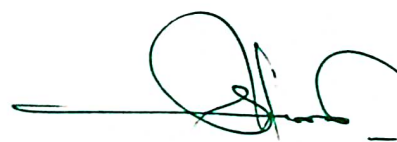

Wednesday, 5<sup>th</sup> April: Red Ribbon Club members gathered together to initiate in social work cleanliness drive to beautify the gazebos. The members were divided among themselves, as the club leader distributed responsibilities among the members. The activities carried out includes picking up of wrappers, bricks, cutting of grasses like weed, etc.; and disposal of garbages. The activity is professionally planned in order to avoid any risk or consequences while implementing the plan so as to achieve the desired results.

The club concluded with a short break of refreshment and the members departed.
