NEISSR OBESERVED WORLD ENVIRONMENT DAY

Literary club in collaboration with (NEISSR) Chümoukedima observed the 'World Environment Day' on 5th June, 2023 under the theme 'Ecosystem Restoration' which highlights the urgent need to restore damaged ecosystem around the world. World environment Day is the united nations day for encouraging worldwide awareness and action to protect our environment. Rev. Fr. Lawrence Khing, Vice- Principal of NEISSR along with the faculties and students participated in the program with full energy. The Literary club took the initiative in making postures and pictures. The aim behind organizing this program was to give awareness to the people about keeping the environment clean and safe from pollution. For this purpose, we should plan more trees and make the Earth green.

The Vice Principal gave a speech in which he encouraged students to participate in these activities. He also added that we should motivate others to keep their environment clean and free of pollution so that we can live a healthy life. NEISSR is blessed with 321 different types of trees including varieties of fruit trees. As part of the celebration for the protection of environment and making it an eco- friendly campus, the students along with the faculties planted around 50 orange and 10 guava saplings. This year's world environment day was an opportunity to emphasize the need to protect and restore our planet. It was a pleasurable activity and serves as a reminder that we all have a role to play in safeguarding our environment and ensuring a sustainable future for the generations to come.
