As per the letter received dated the 20th July 2020 by the Students Council for Social Change appealing for conducting online mode of examination in view of the prevailing situation of the COVID-19 pandemic, zoom meeting was held on 25th July 2020 to deliberate on the matter. The meeting was chaired by Dr. Toli H. Kiba, Assistant Professor and Chairman of Examination Grievance Handling Cell.

The meeting was chaired by Dr. Toli H Kiba, during which she addressed the various issues and challenges that students were facing in this unprecedented situation. The concerns outlined in a letter from the Student Council for Social Change were also presented and discussed during the meeting.

CP Anto's statement, expressing gratitude to both the principal and Dr. Toli H Kiba for their sincerity and commitment to addressing the concerns and enhancing the well-being of the students and the larger NEISSR community.
