

Professional Progressive Circle (PPC)

- Professional Progressive Circle (PPC) is a unique model for promoting social entrepreneurship in social work among the NEISSRIAN
- ‘Professional Progressive Circle’ as a problem-solving team.
- PPC is a homogenous group of professionally trained social worker consisting of 2-6 members to plan, strategize and develop a model in carrying out a project or a business idea as a team.

Objectives of PPC

1. To provide a space where students can explore their interest and creativity to develop a scalable social entrepreneurship or business model, based on their areas of interest and creativity.
2. To serve as an incubation exercise, where students can learn to work together and develop a team culture to make their ideas feasible for the realities of the market.
3. To enhance and develop the attitude of the students with the requisite skills to be independent, thus becoming a job creator not a job seeker.

Evidence of Success

- **Earth Friendly Generation**- An NGO started by Mr. Dominic Chadi- 2015-2017 batch. This organization focuses on environmental issues.
- **IGNITE TUITION CENTRE** – A study centre to provide learning assistance to students belonging to poor economic background, initiated by Viveni H. Yeptho, an alumna of NEISSR
- **Naga Avenue** is a start-up initiative with an inclusive mission to nurture and empower people under its business objectives. In its initial stage, it delves in producing and retailing modern stylish clothing with traditional touch and designs. The objective is to widen its reach and also include more items in their inventory. This is an initiative started by two Alumni of NEISSR.

- Modern Montessori Teachers Training Institute (MMTTI)** was started in July, 2022 with 5 student. In March, 2023, a Pre-school for the age group of 2 to 4 years was added. There are 15 student with two teaching staff and one non-teaching staff. Currently, MMTTI has 30 trainees undergoing Montessori trainings. MMTTI is started by Ms. Walujungla Jamir, an Alumna of NEISSR, 2015 -2017 batch.
- Observing the pressing need for affordable and comfortable accommodation within the institute, Mr. Alem Longkumer, an alumni of NEISSR 2015 – 17 batch started an **Integrity Hostel** that provides a home-like environment for both male and female students, complete with essential amenities such as 24/7 electricity and Wi-Fi connectivity to support their educational pursuits in 2023. Integrity Hostel is situated at a walking distance from the institute.

MODERN MONTESSORI SCHOOL
Laying the foundation for tomorrow

OUR MISSION
Our mission is to unleash the potential of the child and open the doors of all future possibilities for the child by giving our love, care, special training and education using most effective learning methods and world class training materials, providing healthy environment, and drawing support from the well trained teachers.

LITTLE GENIUS:
Your child's second home...

We believe that each child has a unique learning style and it respects this uniqueness. When a child does any activity at our school, you can be sure that it is contributing directly to your child's physical, emotional and intellectual development. Our play schools offer wholesome, fun-filled and memorable childhood education to our children.
