On 29th April, 2023, Red Ribbon Club (RRC) in collaboration with IQAC Cell, North East Institute of Social Sciences and Research (NEISSR) organized a basic life support training programme under the theme '*Be Aware, Be Proactive, Save Life*'.

The programme was moderated by Mr. Victor V Aye followed by invocation by Sr. Shaidaris Nongrem and welcome note by Mr. Johilo Kath. The speaker for the first session was Mr. Arhomo C Ngullie (Medical Social Worker/PRO, Department Of Transfusion Medicine Blood Centre, CIHSR). He talked about the importance of blood donation and the various processes that comes along with it such as the types of blood donors, why it is needed and how the demand and supply of blood is not up to mark. He ended his talk by reminding the students that blood cannot be manufactured, it can only come as a gift from people and also encouraged the students to save a life by giving blood.

The second session started at 10:08 am. The speaker for the second session was Dr. Tsarangpi Sangtam (MBBS, and Master in Emergency Medicine). He started off the session by introducing his team members and spoke about his experiences and educated the students on the various things that comes under basic life support such as the Airway(A), Breathing (B), Circulation (C) theory and Cardio Pulmonary Resuscitation (CPR) which a person can use to save a person's life and laid emphasis on how everyone should know the basic life support. He further explained the students in theory and demonstrated about the various steps that comes under basic life support such as indication of CPR, checking the pulses and calling for help. The session ended with an activity conducted by the resource person and his team
