Workshop on managing behavioral disorders & family therapy
7th Mile, Chümoukedima-797103, Nagaland
Venue: Peace Centre

Three days of workshop on managing behavioral disorders & family therapy was organized by IQAC at Peace Centre. Rev. Dr. Fr. C P. Anto, Principal NEISSR appreciated Dr. Sr. Joan Chunkapura and Fr. Dr. Mathew Thuniampral for facilitating the sessions. Their wealth of knowledge, experience and practical input sessions were highly appreciated by the trainees. As he was addressing the participants he cited the main objective of the training is to build a healthy mind culture that may transform our families and communities respectively. He further stated that a person with a healthy mind is always appreciative, self confident, and has high self esteem and becomes a transcended person who is devoid of ego and ensure to make others life comfortable in all situations. As a social worker and teacher we need to help ourselves first and then we become instrumental in transforming others in our family and community where ever we are.

Dr Joan and Fr. Mathew dealt with various topics concerning the challenges faced by children and suggested different therapies to deal with them. There were around 170 teachers, pastors, social workers, students and religious who attended the programme.
