Respected Sir/Madam,

Greetings in the name of our Lord and Savior Jesus Christ.

With exuberant joy, we accept the three students Ms. Kunusulu Venuh, Ms Menenuo Tase, and Mr. Keduotseizo Seyie from NEISSR for internship program at LifeConnect Nagaland from June 23rd June to 14th July, 2023.

As an NGO ministry, we have been working with economically poor, with very limited resources, socially weak and spiritually outcast, the alcoholic addicts, wine/liquor sellers, who do not belong to a worshipping community even if they call themselves Christians for the past many years and we have been filling in the gaps by providing psychological/spiritual/physical care for them. We also aim to enable marginalized women living in brokenness and poverty live a life of dignity. Therefore, we requested the interns to be prepared spiritually, mentally and physically.

Here are the highlights of the internship work delegation accordingly:

- Field: Evangelism, cell group fellowship, bible study and AA program.
- Children Impact Program: Homework help center, children's club, children's bible study and home visitation.
- Threads of Tapestry (craft, embroidery and envelope making)
- The Happy Kitchen (pickle making, baking, preservative)
- Happy Flow (distribution of free sanitary napkins)

Praying that together, we can create an impact in the lives of people God has entrusted us with and also be a part of the positive change in our community.

Yours Sincerely,

Mrs. Sali Ngully
