Rev. Mr. Itulungbe Ndang, President Nagaland Professional Social Workers Association (NPSWA). Mr. Namghaklung Christopher, Programme Officer for North East West (NEW) of CBR Forum, Bangalore. Dr. Fr. CP Anto spoke about the need to contextualize the primary and secondary methods of social work. He added that if we come together, we can overcome this pandemic and one should be more optimistic, positive and hopeful and fight this new normal with new skills, knowledge, attitude and information.

Mr Stephen Gangmei (Assistant Professor NEISSR), the moderator shared the perspective of the webinar and invited the first resource person Mr. Itulungbe Ndang, President of NPSWA, to speak. Mr. Itulungbe emphasised on the principles and scope of Social Work and said that Social Work Organisations and NGOs will need to work on new projects to tackle post-covid challenges. He also spoke on the SDGs and Niti Aayog which is a public policy think tank of the Government of India, established with the aim to achieve sustainable development goals with cooperative federalism by fostering the involvement of State Governments of India in the economic policy-making process using a bottom-up approach.

The second speaker Dr. Shampa, Nag, Co-founder and Steering Committee Member, Global Civil Society for Malaria Elimination (CS4ME) highlighted that in order to be a Social Worker, one needs to be very passionate and be grounded. In times of this pandemic when social workers are not able reach out to community people effectively, we should look out for ways and means to reach out to them either through various virtual platforms or reach out to them physically with proper precautionary measures. Dr, Shampa Nag said that young students should focus on our own interest areas like public health or women and children etc, so that we will have passion and zeal to work for it.
